Intercultural Bridges in Europe 2008

Dear Madam/Sir,

It is my pleasure to invite you to the Intercultural Bridges in Europe 2008 between 10th and 16th of August 2007 in Sovata, Mureş County, Romania. The camp is planned to be an opportunity of developing collaborations and setting up partnerships between CEI member states in the field of tourism and the protection of nature.

This project is shaped as a training framework through intercultural and interactive learning (case studies, group work, discussion, presentations, exchange of experience) and, also, as a cultural exchange activity (visits in the surrounding places, hikes, group games in the middle of the nature).

The goals of this project are the following:

- to strengthen the organization and communication capacities among the representatives of the youth organizations;
- to develop the regional youth relations in the Central and Eastern Europe;
- to set new and sustainable partnerships;
- to exchange experience between the participants;
- to promote the team work through activities of strategic orientation and protection of nature;
- to focus on the capacity to learn and develop learning outputs in a team;
- to publish a camp magazine distributed at the end of the event.

The participants will have their accommodation, meals and transport from Tirgu Mureş to Sovata and return free.

Our organization offers security through the entire event as long as a mobile emergency service for resuscitation and extrication squad will be present there along with a first aid car.

Please, find attached, the detailed program, a map of the surroundings and the application form which must be sent back no later than 14 of July 2008 at office@ritte.ro

Moreover, if some of you have friends, partners, acquaintances who might be interested in the project, they should also fill in the application form. The main difference is that they will have to pay 75 euros/registration on entering the Camp, in order to cover all the expenses above mentioned.

At moment we can guarantee 42 free places and another 50 with registration fee.

Yours sincerely,

Imreh BARNA
President
