

## ***Proposal for an International Seminar on “Youth and Politics”***

### **Introduction**

During the General Assembly in Murcia we have presented our idea to apply for an international seminar for exchange ideas, good practices, problems, methodologies on young people and politics, in the wider sense as possible. This proposal was accepted by the G.A.

So we have presented the project in action 4.3, and finally now it was approved.

In the G.A. some of the participants asked for a big participation at least of the troika on the planning process, in order to assure all the partners about the correct way to focus the project itself.

### **The partners**

There will be a big majority of partner coming from Platform Network:

- Villa Elba – Fi
- Ayuntamiento de Murcia – Es
- Kreisjugendring (KJR Wurzburg) – De
- Jint – Be
- Aha – A
- Avantis – Slo.

We have invited an other partner from Spain, which was our partner in the past project:

- Ayuntamiento de Gibraleon – Es.

### **Objectives**

- To create a common background between the partner on the main theme of the seminar
- To exchange good practices and methodologies between the partners
- To strenghten an international support to the local level activities, trough the use of Youth in Action tools.

### **Time**

The seminar will be from **1<sup>st</sup> to 4<sup>th</sup> of october** 2008 and it will book 3/4 working days.

### **Participants profile and number**

We are looking for 3 participants for each partner.

The profile will be:

- a. a functionary working in a public body of your region, linked with the political dimension and able to exchange methodologies and praxis on the theme;
- b. a politic person, interested on the theme and able to work on the strategical level of youth policies
- c. youth workers/responsibles of youth associations, able to show the point of view of the young people on the theme.

### **Cost and participation fees**

The Youth in Action program covers:

- a. the 70% of the travel cost; We need to know the average cost of the travel from your country to Milano Malpensa Airport or Torino airport and the train transport from airport to Vercelli rail station.
- b. The general costs for the organization, food and lodge, local transport, etc.

It's possible we will ask a participation fee of not more than 50 euro as a support of the organization costs, and as an earnest for the participation.
