

Price 330 € / participant

Back to the Nature is a round trip to true wild nature & local culture. We can enjoy it with new friends to those we get to know very well during the tour.
The first BttN 2009 with 26 participants was a great success and in 2010 gets even better...

Programme

1st August **Welcome to Vasatokka!**
Supper, sauna & info of the week. Night in a cabin or in dormitory rooms.

2nd – 4th August **Canoeing into the nature**
We start with a canoeing school for beginners. Then we paddle by canoes in three days for 30km along River Fox, Lake Solo and River Juutua towards Lake Inari. During canoeing & camping we can do fishing, picking up berries, enjoy outdoor games & nights by open fire... Overnights in tents (by the organizer).

5th August **Hike via a magic fell to a traditional forest hut**
We leave canoes, cross the river by boat and hike for 7km thru a nice forest up to panoramic Otsamo Fell. From the top you might see on clear weather both Norway & Russia! After a break we go down the slope to a cozy log-hut located in the middle of a forest. Sauna & swimming in a lake, the night in the hut or in tents.

6th August **Hike back to civilization**
Hike for 8km back to Vasatokka. Sauna, swimming, relax and night in Vasatokka.

7th August **Departure**
